COLLECTION OF ACADEMIC BOOKS FOR THE UNIVERSITY LIBRARIES IN UKRAINE

Do you have extra books you don't feel like carrying home?

Why not donate them to one of the first educational centres in Eastern Europe!

This year CU Ukrainian Society coordinates a collection of textbooks and other academic literature on a number of subjects, which will be donated to the Kyiv-Mohyla Academy (Kyjevo-Mohylyansyka Academiya). The Academy was founded in 1615, but it was dismantled by the Bolsheviks in 1918. The Kyiv-Mohyla Academy was re-opened in 1991: http://www.ukma.kiev.ua/eng_site/index.php.

You can drop books at Homerton Library, where there is a special box for this.

If you wish, your name can be included with your gift. We are thanking you in advance!
